

Your Moving Journey

2 Months Before

- Ensure you have the valid visas to work and live in destination country
- Confirmed a place to stay in destination country
If not, do you require storage services?
- Source for Relocation Companies and request quotes

1 Month Before

- Shortlist relocation provider and finalise quotation. Have preferred packing dates in mind
- Ensure you have important personal items and document in hand. Do not pack them to your shipments
- Inform the necessary institutions of your move (e.g. banks, schools, postal companies, etc)
- Prepare your pets for the move.
- Book your flight

1 Week Before

- Finalise insurance for your move
- Standby currencies of both current and destination countries.
- Book a disposal or cleaning service

Moving Day

- Supervise the packing and moving of your items
- Do the necessary handyman work and a final cleanup of your house with the cleaners, prior to handing over the residence.
- Confirm your tracking information

Transit

- Transit tracking via Moovaz dashboard

Settling In

- Sign up for a new sim card
- Open a new bank account and transfer your money
- Enrol your children into new schools
- Sign up for insurance
- Sign up for medical care
- Sign up for local news & social activities

Arrival & Delivery

- Arrival of your shipment in destination country
- Get updates on custom clearance
- Confirm delivery date of shipment
- Receive and unpack shipment on delivery date
- Insurance Claim (if any)
- Post-delivery survey call
